ORDER

-----X

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order resolves the issue raised in Defendants' June 15, 2022 letter requesting an order compelling Plaintiff to serve a "proper response" and produce documents responsive to Defendants' document request in 21-cv-679, a copy of which is attached to 21-cv-679, Dkt. 33 at Ex. D. The Court agrees that Plaintiff's response is insufficient; at the same time, Defendants are not entitled to have Plaintiff identify which specific documents he relies on for which specific allegation.

Accordingly, by **July 29, 2022**, Plaintiff shall provide a supplemental response to the document request that identifies the bates numbers of the text messages or other documents encompassed by Plaintiff's response to the document request; i.e., the documents consisting of the "text messages ... which Defendants produced in or around 2019/2020" and documents referenced in the Complaint supporting Plaintiff's claims.

To the extent there are any responsive documents not previously produced, Plaintiff shall produce them by **July 29, 2022**.

SO ORDERED.

ROBERT W. LEHRBURGER
UNITED STATES MAGISTRATE JUDGE
